

# Kansas Compass Collection

## Block 6 - Diamond in the Rought

Finishes at 12" Square

Designed by Mary Pfeiler, Quilting on the Square, Holton, KS

The Kansas Compass Collection will feature six different compass blocks. Each block will finish at 12" square. Each block can stand on it's own and be made into a wall hanging. These blocks are suitable for framing. Make several of the same block and make spectacular table or bed runner.

For the truly ambitious quilters out there, go ahead and make many to create a stunning king size quilt. The possibilities are endless.

Each block is foundation paper pieced. Copies will need to be made of Foundation Paper Piecing templates. These can also be downloaded from the Country Register site.

### Colors In Our Block:

- Background - Black
- Color 1 - Yellow
- Color 2 - Orange

Choose your favorite colors to make this block, just make sure that you have good contrast between the colors.

Foundation Paper Piece each section. Sew a left and a right unit together to complete one quarter of the block. You will make 4 of these units. Stitch these units together 4-patch style to complete the block.
