### Traditional Template Free Cutting & Piecing

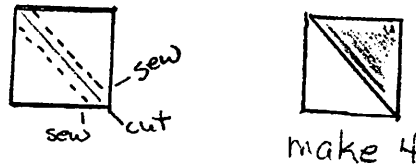

**From the light:**  
 (2) 2 7/8" X 2 7/8" squares  
 (4) 2 1/2" X 2 1/2" Squares

**From the dark:**  
 (2) 2 7/8" X 2 7/8" squares  
 (1) 2 1/2" square

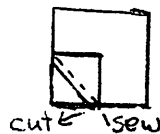

**From the medium or contrast:**  
 (8) 1 1/2" X 1 1/2" squares

**Piecing:**

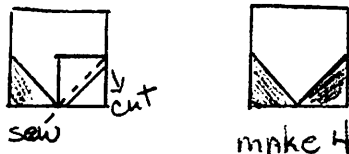

**Step 1-** Pair the 2 7/8" X 2 7/8" light & dark squares right sides together. Draw a diagonal line corner to corner on the wrong side of the light fabric. Sew on each side, a scant 1/4" away from the drawn line. Cut apart on the drawn line, press with the seam toward the dark. Square up to an exact 2 1/2". This will make (4) light/dark half square triangles.

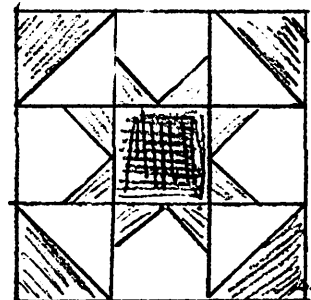

**Step 2-** On the wrong side of the contrast 1 1/2" squares, draw a line corner to corner. Using the light 2 1/2" squares place a contrast 1 1/2" square on one corner and sew on drawn line. Trim 1/4" away from the stitched line and press with seam toward the dark.

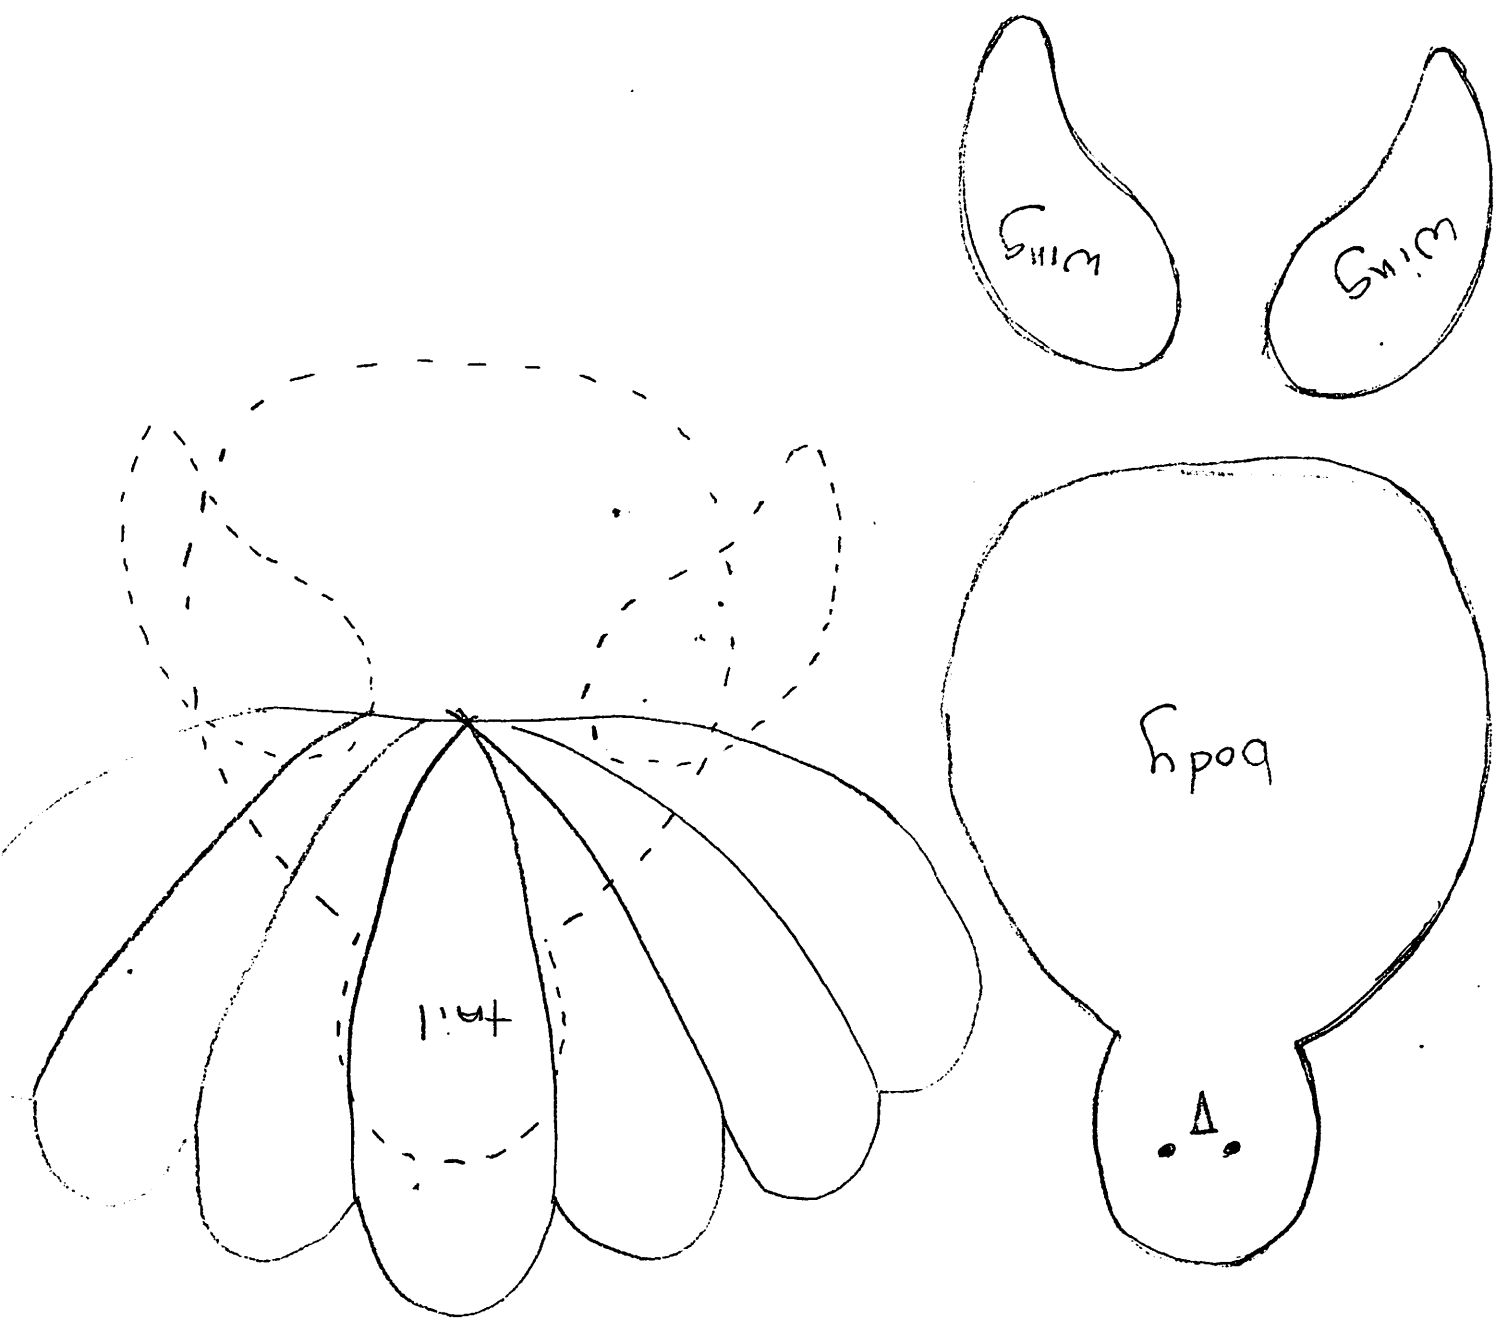

Repeat on the adjacent corner of each 2 1/2" light square.

**Step 3-** Assemble the block as in the diagram.
